WEDNESDAY

Oval/Road get 2 practices by heats and some open practice.

THURSDAY

Oval/Road get 1st timer/open practice

FRI/SAT/SUN

Oval/Road get open practice before hts

OPEN PRACTICE (ALL DAYS)

10 cars max at a time on the track. All classes run together. Depending on the line, we may keep it to 1 min practice runs.

SPEED ROUND PRACTICE (TUE)

10 cars max at a time on the track. We do this practice so the classes can run together. Depending on the line, we may keep it to 1 minute practice runs. (Speed Rounds are boxed in lighter)

CONTROLLED PRACTICE (TUE)

Practice segments are timed, and every 'x' minutes cars are stopped and a new group enters stand. Times are set to give everyone 1 chance to run in that segment. Racers can go to the back of the line to run again. Oval is 4 mins. Touring is 5 mins. GTP is 8 mins. If line is long we may shorten a min. to get more racers.

PRACTICE BY HEATS (WED)

Practice will be controlled and setup by the actual heats we will be racing. You will practice with the drivers in your heat race. Heat #1 will be practice race #1. Heat #23 will be practice race #23. Heat sheets will be in tech - look what race you're in. You must be here & ready!

1ST TIMER PRACTICE (THU)

This is for racers that were not here for Tuesday and Wednesday practices.
